# CONTINUING EDUCATIONAL EXCELLENCE

Our summer program is designed to enrich the learning of our students, even when school is not in session. The mission of the Rose Tree Media School District's Summer Programs is to provide opportunities for continued academic and social growth. Through fun learning experiences delivered by a dedicated staff, the students will discover their talents, foster a love of learning, gain academic confidence, and create new friendships. Our camps do not require prior experience.... just interest and a willingness to learn something new!

The Rose Tree Media School District Summer Programs are unique and include grade-specific activities targeting desired physical and academic skills, as well as promoting higher order thinking. The enthusiastic instructors of our programs are members of the Rose Tree Media School District family and are eager to share their knowledge and passions. During each session, students are encouraged to strive for excellence while developing new friendships in a collaborative setting.

Whether you are looking to try a new activity, continue your academic growth, or earn credits for a high school course, our summer program has something for you!

We are looking forward to a fun-filled summer!
